5. Conclusion

1.Introduction

New Challenge Islam Facing

- East Asian country edges out Muslim country with a technologically wide gap
- Islamic country is on the verge of guard-tightening for East Asian religions
- Muslims can overcome the present problem by accepting religion circulation theory by East Asia' s new religion DaesoonJinri based on I-ching, Yin-Yang and Wu-xing(the Five Elements) theory(yuan heng li zhen, 元亨利貞).
